The image shows a modern bathroom. On the left, a shower area is visible with a wall covered in tiles featuring a repeating geometric pattern of interlocking circles and triangles. A chrome shower fixture with a handheld showerhead and a fixed overhead showerhead is mounted on this wall. To the right, a dark-colored robe is hanging on a towel rack against a wall of large, light-colored rectangular tiles. The floor is also covered in the same geometric patterned tiles as the shower wall.
