# AVANT COLLECTION

 El origen de los hexágonos se remonta a la arquitectura musulmana, concretamente al estilo mudéjar que se desarrolló entre los siglos XII y XVI.

Los recursos estéticos utilizados en la historia de la arquitectura son aquellos en los que la creatividad y la técnica se unen para dar lugar a piezas de carácter funcional.

La investigación para la innovación es un proceso que requiere una exploración constante. Por ello, Monopole ha patentado esta forma hexagonal especial, que trae la serie Avant al siglo XXI, pero con un toque vanguardista.

El hexágono, también presente en la naturaleza, transmite una sensación de ligereza, que es lo que queremos que sienta el espectador cuando vea esta innovadora pieza.

 The origin of hexagons goes back to Muslim architecture, specifically to the Mudejar style that developed between the 12th and 16th centuries.

The aesthetic resources used in the history of architecture are those in which creativity and technique come together to give rise to pieces of a functional nature.

The research for innovation is a process that requires constant exploration. This is why Monopole has patented this special hexagonal shape, which brings the Avant series into the 21st century, but with an avant-garde touch.

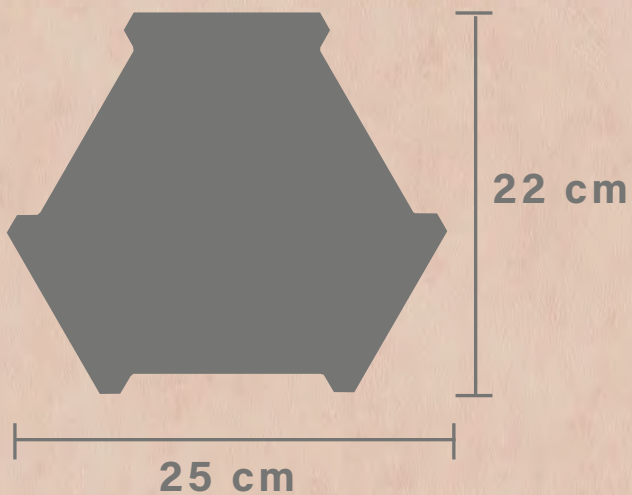

The hexagon, also present in nature, transmits a sensation of lightness, which is what we want the viewer to feel when they see this innovative piece.

## AVANT

• PATENTED DESIGN •

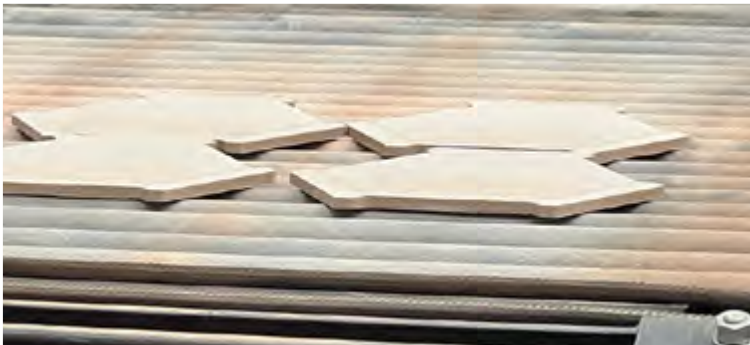

Monopole presents its new AVANT tile collection, an avant-garde design line that offers a wide variety of textures, finishes and colours to create unique and personalised atmospheres. The promotional video of the AVANT collection is now available on the Monopole website ([www.monopoleceramica.com](http://www.monopoleceramica.com)), where customers will be able to appreciate in detail each of the designs that make up this spectacular collection.

Monopole's AVANT collection is characterised by its innovative and sophisticated style, designed for lovers of modern and elegant decoration. Each piece is carefully crafted with high quality materials and under strict manufacturing standards, guaranteeing the durability and resistance of the tiles in any space where they are installed.

“With AVANT, we seek to offer a product that conveys a personality of its own, with designs that defy the conventional and at the same time adapt to any decorative style,” said Monopole's sales manager. The AVANT collection is now available on the Monopole website, where customers can shop online and enjoy the best prices and promotions.
