

COUREL

Among sand, mud and sediment, we find a material as characteristic and unique as slate, in a refined matt that adapts to any environment in a subtle and suggestive way. We have materialised it in the Courel series, available in a single 60 x 120 cm format and in three different colours. Grey, the lightest of the series, invites us to feel calm, while Rust suggests a more vigorous appearance. Anthracite, the darkest colour, shows its more elegant side.

Entre la arena, el lodo y los sedimentos, encontramos un material tan característico y único como la pizarra, en un refinado mate que se adapta a cualquier ambiente de un modo sutil y sugerente. Lo hemos materializado en la serie Courel, disponible en un único formato de 60 x 120 cm y en tres colores distintos. Grey, el más claro de la serie, nos invita a la calma, mientras que Rust nos sugiere un aspecto más vigoroso. Anthracite, el color más oscuro, nos muestra su lado más elegante.
