A proposal with a great aesthetic impact. The Dolmen collection represents a rustic and aged stone.

Una proposta di grande impatto estetico. La collezione Dolmen rappresenta una pietra rustica e anticata. Richiama la lamiera ossidata nelle colature più scure del fondo, mentre la grana fine e l'assenza di venature può in alcuni colori far pensare a un cotto o a un cemento.

A proposal with a great aesthetic impact. The Dolmen collection represents a rustic and aged stone. The dark background recalls oxidized metal, while the fine grain and the absence of veins can suggest, in some colours, terracotta or concrete.

Une proposition avec un grand impact esthétique. La collection Dolmen représente une pierre rustique et antique. Cela rappelle la tôle oxydée dans la plupart des coulées plus sombres, tandis que le grainure fine et l'absence de veinages, peuvent dans certaines couleurs suggérer la terre cuite ou le béton.
