This Collection allows the classic style to collide with the industrial / metropolitan style.

Grazie alla sua doppia anima, questa Collezione offre l'opportunità di rilanciare il classico in chiave contemporanea. Si tratta di una proposta unica sul mercato, coraggiosa e di design, che a livello concettuale appare artificiosa e avanguardistica ma che a livello di resa grafica sfoggia una naturalezza classica.

Thanks to its double soul, this collection offers the opportunity to relaunch the classic style in a contemporary manner. It is a unique, courageous and strong proposal for the market, which on a conceptual level appears artificial and avant-garde, but, in terms of graphic performance, has a classic naturalness.

Grâce à sa double âme, cette collection offre la possibilité de relancer le classique en clés Contemporain. Il s'agit d'une proposition unique sur le marché, courageux et de design, qui sur le plan conceptuel les graphismes soulignent un effet naturel et classique.
