MARBLE LOOK

Art

Art by Marazzi brings the Venetian Seminato floor tradition up to date with the latest interior design trends. Different sized chips or fragments of marble create slight variations in colour on the concrete base, with a very natural effect. Art is produced in 5 innovative, concrete-related shades which reach beyond plain grey with overtones of white, green or mud. The collection has a variety of sizes starting from 120x120 cm, two surfaces – natural and glossy. Art is ideal for contemporary residential and commercial projects, indoors and outdoors.
