

Fragment

Con la sencillez y atemporalidad de la pizarra como base, Fragment consigue expresar la elegancia desde la simplicidad de sus relieves y colores neutros. Fragment reinterpreta la esencia de la naturaleza y se centra en el aspecto mineral para proponernos una colección altamente matérica.

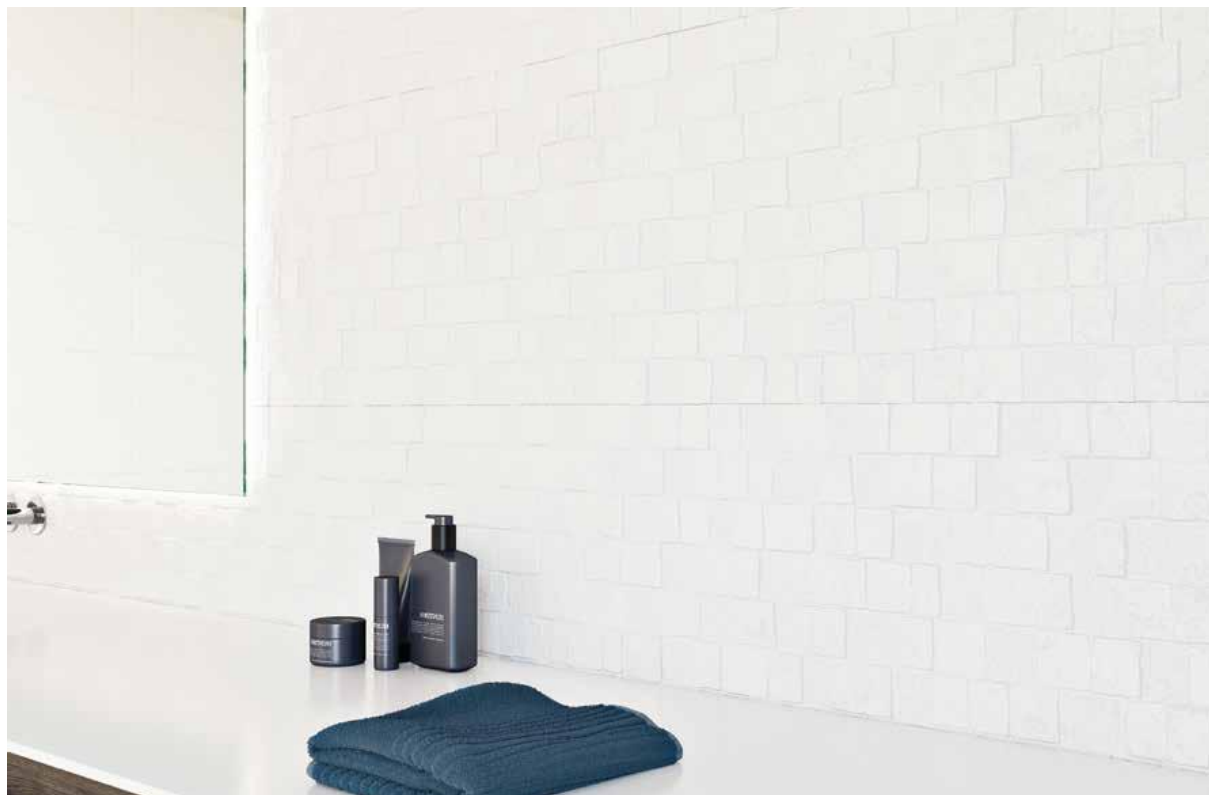

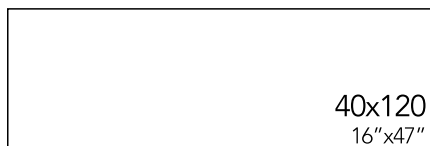

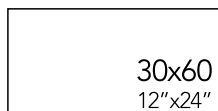

Taking slate's unpretentious timeless charm as its source of inspiration, Fragment's neutral colours and relief surface are synonymous with stylish elegance. A collection that encapsulates the very essence of this natural stone and its mineral beauty.

Avec l'ardoise comme base, épurée et atemporelle, Fragment réussit à exprimer l'élégance depuis la simplicité de ses reliefs et de ses couleurs neutres. Fragment reproduit l'essence de cette pierre naturelle et sa beauté minérale.

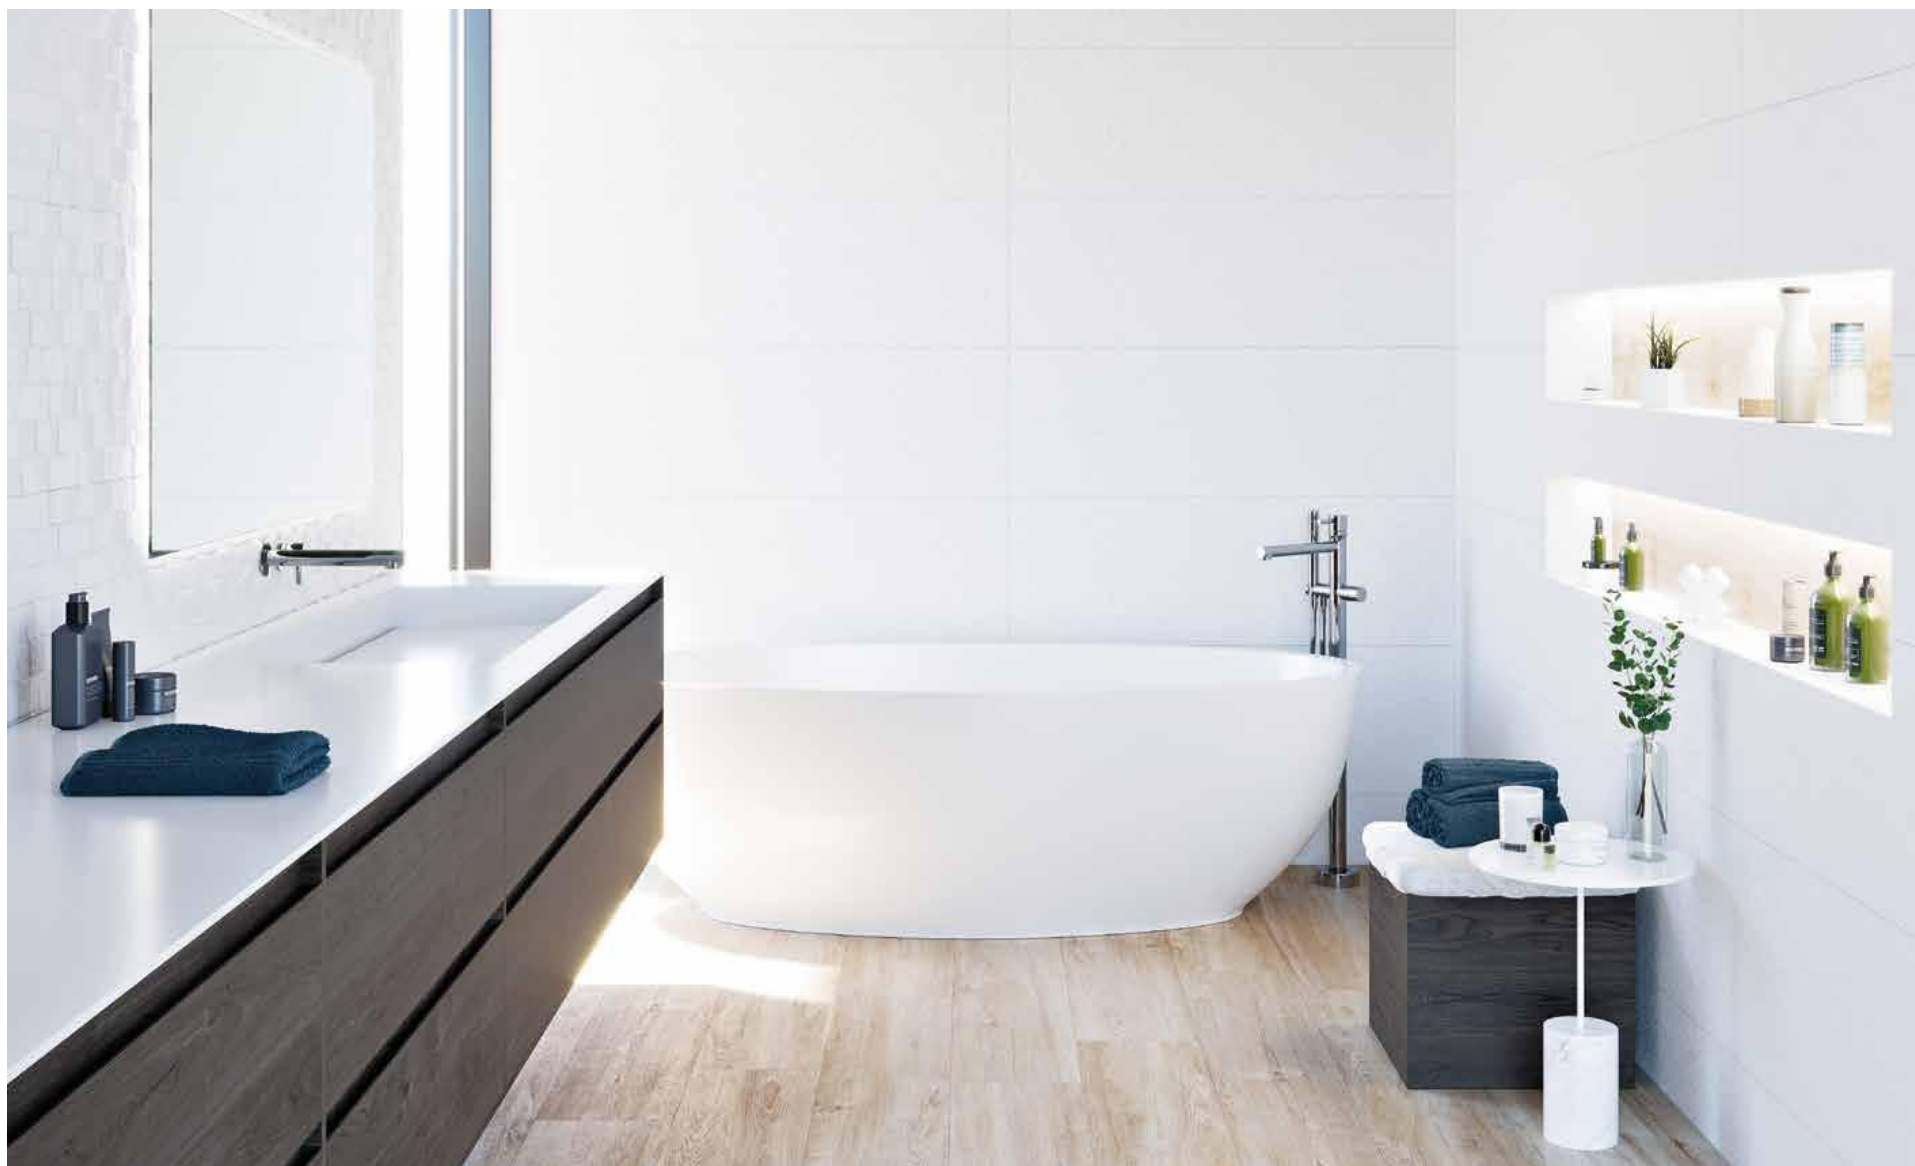

Mit der Schlichtheit und Zeitlosigkeit von Schiefer als Grundlage bringt Fragment die Eleganz anhand von einfachen Reliefs und neutralen Farben zur Geltung. Mit Fragment wird die Essenz der Natur neu interpretiert und durch Hervorheben des Mineralaspekts entsteht eine äußerst materialbildliche Kollektion.
