VALENTINO

BY CERAMICHE PIEMME

ITALIAN ECLECTIC LUXURY

Una collezione che si ispira ad alcuni dei graniti preziosi più raffinati al Mondo: Valentino by Ceramiche Piemme ne ricerca le caratteristiche più rare e pregiate reinterpretandole in chiave ceramica per affrontare ogni tipo di progetto, sia residenziale che commerciale, purchè di altissimo livello. Lo stile di Opulence traccia nuovi schemi dell'eleganza, grazie ad un tocco di colore nel rivestimento capace di rendere "glamour" ogni ambiente, ed offrendo al progettista un nuovo punto di vista nell'utilizzo del gres porcellanato e della monoporosa in finissima pasta bianca, per rivestire gli spazi con uno stile fresco, eclettico e lussuoso al tempo stesso.

A collection inspired by some of the most refined and precious granites in the world: Valentino by Ceramiche Piemme seeks out their rarest and most precious characteristics and reinterprets them in a ceramic tile suitable for all project types, both residential and commercial, as long as they are of the highest level. The style of Opulence traces out new and elegant schemes thanks in part to a touch of colour in the glaze which is able to render all environments glamorous and offer the designer a new point of view for the use of porcelain stoneware and very fine white-body monoporosa tiles to cover walls with a fresh, eclectic and at the same time luxurious style.

Die Kollektion von Valentino by Ceramiche Piemme interpretiert die edle Ästhetik raffinierter und kostbarer Granite. Sie thematisiert rare, wertige Materialbilder und übersetzt sie in ein keramisches Konzept, das im anspruchsvollen Wohn- und Objektbereich ausdrucksstarke Gestaltungen ermöglicht. Der Stil von Opulence definiert Eleganz neu. Unter anderem mit Wandverkleidungen, deren Farbakzente einen Hauch von Glamour aufkommen lassen. Außerdem bietet die Serie dem Planer neuen Spielraum beim Einsatz von Feinsteinzeug und Einbrandfliesen mit feinstem weißem Scherben, die den Räumen einen frischen, eklektischen und zugleich luxuriösen Look verleihen.

Une collection inspirée de quelques-uns des granits les plus beaux et les plus raffinés du Monde : Valentino by Ceramiche Piemme en recherche les caractéristiques les plus rares et les plus prisées pour leur donner une interprétation céramique de sorte à convenir à tous les types de projet, résidentiels et commerciaux, mais de prestige, toujours. Le style d'Opulence réécrit les canons de l'élégance, notamment grâce à une touche de couleur au niveau du revêtement mural, en mesure d'amener partout une pincée de « glamour ». Le designer dispose d'une nouvelle façon d'utiliser le grès cérame et la monocuisson poreuse en pâte blanche ultra fine. Il peut « envelopper » les espaces d'un style à la fois frais, éclectique et luxueux.

Smooth, precious opulence
Exquisite und einladende Opulenz
Superbe et suave opulence

OPULENCE

Il team di ricerca Valentino by Ceramiche Piemme, costantemente impegnato nell'innovazione di prodotto, ha realizzato un progetto esclusivo e ben articolato, declinandolo in cinque eleganti essenze ed affiancandole a sette fondi a tinta unita in monoporosa, per donare agli ambienti tutta l'inconfondibile personalità dello stile Valentino by Ceramiche Piemme.

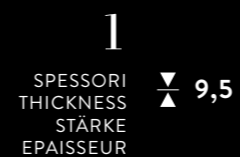

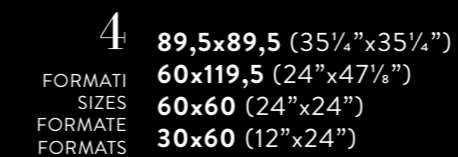

The Valentino by Ceramiche Piemme research team, constantly engaged in product innovation, has worked to create an exclusive and highly structured design featuring five elegant colours and combined them with seven single-colour monoporosa tiles in order to characterise the environments with unmistakable personality of the Valentino by Ceramiche Piemme style.

Entwicklungsteam von Valentino by Ceramiche Piemme nun ein exquisites, ausgefeiltes Konzept vorgelegt, das fünf elegante Gesteine umfasst, denen sieben unifarbene Grundfliesen, hergestellt im Einbrandverfahren, zur Seite gestellt werden. Damit bietet es alle Voraussetzungen für ausdrucksstarke Raumgestaltungen im Stil von Valentino by Ceramiche Piemme.

Axée en permanence sur l'innovation de produit, l'équipe de recherche Valentino by Ceramiche Piemme a examiné les tendances pour mettre au point un projet exclusif et complet. Elle l'a décliné en cinq colorations élégantes et lui a ajouté sept teintes unies en monocuisson poreuse pour flanquer les espaces de toute l'extraordinaire personnalité du style Valentino by Ceramiche Piemme.
