One of the strenghts of Cloud is its texture work, both on the bases, which remind to the imperfect beauty of the fired clay, and on its decorative complements with geometrical reliefs meaning to push interiors one step further.

Uno de los puntos fuertes de Cloud es su trabajo de texturas, tanto de las bases, que recuerdan a la belleza imperfecta del barro cocido, como de sus complementos decorativos con relieves geométricos para darle una vuelta de tuerca al interior.

CLOUD

A collection of rectified white body floor tile with an astonishing 35x100 cm format. Cloud is characterized by a range of four sophisticated but inspiring colors which are completed with two neutral colors: white and pearl. The surface reproduces the texture of a hand-crafted material, which creates a very modern surface.

Una colección de revestimiento en pasta blanca rectificada en un espectacular formato 35x100 cm. Cloud se caracteriza por una gama de 4 colores sofisticados pero llenos de personalidad que se completan con dos tonos neutros: blanco y perla. La superficie reproduce la textura de un material artesanal, lo que crea una superficie muy moderna.
