METAL'S COMPELLING ATTRACTION

The Arc collection reinterprets industrial sheet metal in innovative style. With the tiles' attractive copper colour and directional design, their oxide effects ensure a strong dose of natural realism.

La colección Arc reproduce, de manera innovadora una chapa metálica de estilo industrial. Con un sugerente color cobrizo y un diseño direccional, sus piezas contienen una gran dosis de efecto oxidado consiguiendo la máxima naturalidad y realismo.

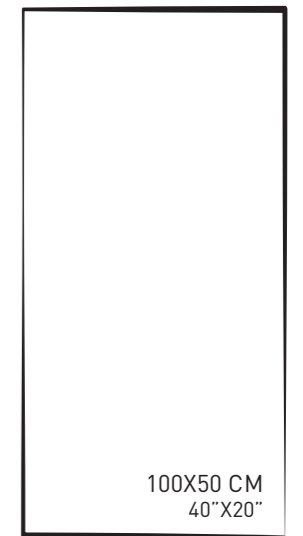

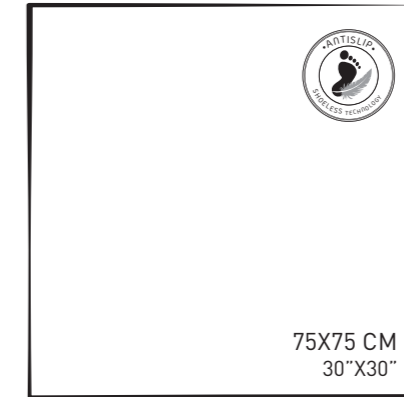

La collection Arc reproduit, de façon innovante, une tôle métallique de style industriel. Avec une couleur cuivrée suggestive et un design directionnel, ses carreaux affichent un effet oxydé prononcé qui leur permet d'obtenir un réalisme et un naturel impressionnants.

Bei der Kollektion Arc wird in innovativer Weise ein Metallblech im Industriestil nachgebildet. Mit einer faszinierenden kupferartigen Farbe und einem richtungsweisenden Design enthalten die Fliesenteile ein starkes Flair mit Rosteffekten, wodurch höchste Natürlichkeit und Realismus erzielt werden.
