È CERTIFICATA B CORP

FLORIM IS B CORP CERTIFIED

Guardiamo al business come una forza positiva in grado di generare profitto e allo stesso tempo creare un impatto virtuoso sulle persone e sull'ambiente. Da sempre.

Le nostre scelte, giorno dopo giorno, ci hanno portato a migliorare il nostro modo di fare impresa.

We conceive the business as a positive force able to generate profits and at the same time create a virtuous impact on people and the environment. Since forever.

Our choices, day after day, have led us to improve our way of doing business.

COSA SIGNIFICA ESSERE B CORP?

Ci siamo misurati con i più alti standard di **performance sociale e ambientale** e dopo un lungo e rigoroso processo di verifica siamo diventati B Corp.

Le aziende che riescono a ottenere questa certificazione sono le più evolute al mondo in termini di impatto positivo sia sociale che ambientale.

Costituiscono un movimento globale di 'Purpose Driven Businesses' che ha l'obiettivo di diffondere un nuovo **paradigma economico**, che vede le imprese come protagoniste nel **rigenerare la società**.

Guarda il video **"Essere sostenibili è una scelta quotidiana"** con i volti di alcune delle "persone Florim" che ogni giorno contribuiscono a rendere l'azienda sempre più responsabile.

Watch the video **"Being sustainable is a daily choice"** with the faces of some of the "Florim people" who contribute to making the company even more responsible, every day.

WHAT DOES IT MEAN TO BE B CORP?

We vied with the **highest social and environmental performance standards**, and after a long and scrupulous verification process, we became B Corp.

Companies that succeed in obtaining this certification are the most evolved in the world in terms of their positive social and environmental impact.

They constitute a global movement of 'Purpose Driven Businesses' whose aim is to diffuse a **new economic paradigm**, whereby companies are the drivers of **social regeneration**.

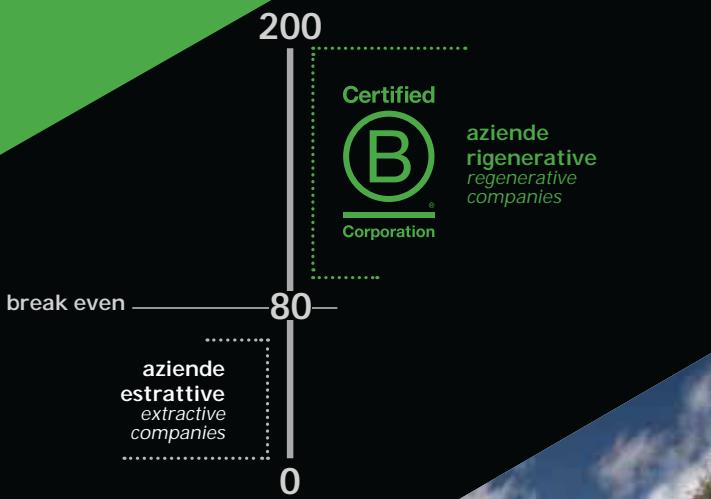

BUSINESS RIGENERATIVO

È in corso un **cambiamento culturale** epocale di cui siamo orgogliosi di essere parte. Uno dei principi fondamentali di tutte le B Corp è quello di adottare un business rigenerativo che si contrappone a quello estrattivo.

Rigenerare significa non solo diminuire l'impatto sulla natura e sull'ambiente che ci circonda, ma addirittura produrre effetti positivi, creando valore condiviso nella società e rigenerando la biosfera.

Diventano B Corp solo quelle aziende che misurano il loro impatto complessivo attraverso il Benefit Impact Assessment (BIA) superando il punteggio di 80 (in una scala da 0 a 200) ed entrando così in una élite di imprese **rigenerative**. Chi non supera questa soglia viene considerata **azienda estrattiva** ovvero per funzionare consuma risorse economiche, sociali e ambientali superiori di quanto sia in grado di generare come output.

REGENERATIVE BUSINESS

An historical cultural shift is under way, of which we are proud to be a part. One of the underlying principles of all B Corps is the adoption of a regenerative business model as opposed to an extractive one.

Regenerating means not only reducing the impact of business on our surrounding nature and environment, but also producing positive effects, creating shared value in society and regenerating the biosphere.

Only those companies that measure their overall impact through the Benefit Impact Assessment (BIA) exceeding the score of 80 points can be certified as B Corp, joining an elite of regenerative companies. Anyone who does not exceed this threshold is considered an extractive company or, in order to function, they consume higher economic, social and environmental resources than they are able to generate as output.

IL PUNTEGGIO DI FLORIM

Il punteggio conseguito da Florim Italia è di 98,1 punti e il consolidato, che comprende la consociata americana, è di 90,9 punti. Così il Gruppo Florim rientra tra le 3.700 B Corp al mondo.

Sono oltre 140.000 le aziende che stanno cercando di ottenere la certificazione, nel rispetto di severissimi standard di trasparenza e sostenibilità.

Solo il 3% riesce a superare l'iter di verifica imposto da **B Lab**, ente certificatore di origine americana che oggi opera a livello globale.

FLORIM'S SCORE

More than 140,000 companies are currently seeking to obtain the certification in compliance with the strictest transparency and sustainability standards.

*Only 3% manage to pass the verification process implemented by **B Lab**, the US certifying body that currently operates on a global scale.*

rêves de rex

Un nuovo stile, un nuovo lusso informale e immediato per interpretare lo spazio, non più legato all'ostentazione dei beni materiali ma alla valorizzazione dello spirito. Accostamenti inusuali e stridenti, stratificazioni di vita vissuta, antico e moderno, elementi preziosi e di recupero in perfetta convivenza creano una atmosfera che racconta una storia ben precisa: una dualità in contrasto che esprime con chiarezza specifiche identità.

I segni, fortemente, personali riportano ad una dimensione di intimità domestica.

La cultura del passato rilegge il presente: tutto è in connessione, un filo sottile e autentico ci riporta davvero ad un fascino senza tempo.

Questo è lo sguardo con cui REX interpreta ogni singolo aspetto della vita, sociale e personale, per costruire un'estetica che tende alla bellezza, principio di necessità insito nella natura stessa dell'uomo.

Ispirata alla bellezza antica e ricercata degli alabastri, la collezione Rêves de Rex ci restituisce un sogno di contemporanea eleganza attraverso sfumature preziose e raffinate cromie in linea con le attuali inclinazioni estetiche dell'abitare.

Morbide venature e tenui contrasti di colore contrassegnano una collezione essenziale ed equilibrata che con uno stile autentico prende le distanze dalle tinte accese e appariscenti. Superficie luminose, profonde e delicate accompagnano le diverse architetture senza offuscarle ma riuscendo ad esaltarne spazio e dimensione.

Espressione di un lusso misurato, distintivo dello stile Rex, la collezione Rêves de Rex permette di creare atmosfere autentiche che lasciano negli occhi suggestioni splendenti e nella memoria emozioni intense.

A new style, with a new informal and instant opulence interpreting spaces, no longer linked to the ostentation of material goods but to giving full value to the spirit. Unusual, striking combinations, layers of life-experience - both old and modern - and precious elements cohabiting perfectly with recycled items, create an atmosphere that tells a very definite story: a contrasting duality clearly expressing specific identities. The strongly personal symbols hark back to a dimension of domestic intimacy. The culture of past times takes a fresh look at the present: everything is connected, and a subtle, authentic thread really takes us back to an allure that is timeless. This is the angle from which REX views each individual aspect of life, both social and personal, to build an aesthetic appeal tending towards beauty - an essential principle, and intrinsic to the very nature of human beings.

Inspired by the ancient and exquisite beauty of alabaster, the Rêves de Rex collection evokes a dream of contemporary elegance through fine shades and refined colours in line with current living space aesthetics.

Soft veins and subtle colour contrasts mark an essential and balanced collection whose authentic style distances itself from bright and flashy colours.

Glossy, deep and delicate surfaces pair with various architectures, never overshadowing but rather enhancing their space and size.

An expression of sober luxury, which characterizes the Rex style, the Rêves collection is well-suited to creating authentic atmospheres whose gleam and magic will be forever etched in the memory of the viewer.

Un nouveau style, un nouveau luxe informel et immédiat pour interpréter l'espace, attaché à la valorisation de l'esprit, loin de l'ostentation des biens matériels. Associations inhabituelles et stridentes, stratifications de vie vécue, ancien et moderne, éléments précieux et de récupération dans une cohabitation parfaite, créent une atmosphère qui raconte une histoire bien précise : une dualité tout en contraste, qui exprime avec clarté des identités spécifiques.

Les signes personnels ramènent fortement à la dimension d'intimité domestique.

La culture du passé habite le présent... tout est relié, un fil subtil et authentique nous replonge vraiment dans un charme intemporel.

C'est le regard par lequel REX interprète chaque aspect de la vie sociale et personnelle, pour créer une esthétique qui tend à la beauté, principe de nécessité inscrit dans la nature même de l'homme.

S'inspirant de la beauté ancienne et raffinée des albâtres, la collection Rêves de Rex nous offre un rêve d'élégance contemporaine à travers des nuances précieuses et des couleurs raffinées, en accord avec les tendances esthétiques actuelles de l'habitat.

Les douces veines et les délicats contrastes de couleurs caractérisent cette collection sobre et équilibrée qui, de par son style authentique, se démarque des couleurs vives et criardes. Des surfaces lumineuses, profondes et délicates accompagnent les différentes architectures sans les éclipser, bien au contraire, car elles réussissent à mettre en valeur leurs espaces et leurs dimensions. Expression d'un luxe discret, propre au style Rex, la collection « Rêves » permet de créer des atmosphères authentiques qui renvoient des suggestions resplendissantes aux yeux et des émotions intenses à la mémoire.

Ein neuer Stil, ein neuer Luxus, eine informelle und direkte Interpretation des Raums, nicht mehr Zurschaustellung des materiellen Besitzes, sondern vielmehr Valorisierung der inneren Werte.

Ungewohnte und schrille Kombinationen, Schichten aus gelebtem Leben, antik und modern, wertvolle und gesammelte Elemente schaffen in perfekter Harmonie eine Atmosphäre, die eine ganz spezifische Geschichte erzählt: eine kontrastierende Dualität, die mit Klarheit bestimmte Identitäten ausdrückt.

Die sehr persönlichen Zeichen weisen auf die häusliche Dimension hin.

Die Kultur der Vergangenheit liest die Gegenwart neu: alles ist in Verbindung, ein dünner und authentischer Faden führt uns zurück in eine zeitlose Faszination.

Dies ist der Blickwinkel, aus dem REX jeden Aspekt unseres gesellschaftlichen und persönlichen Lebens neu interpretiert, um eine Ästhetik zu schaffen, der sich der Schönheit nähert, einem dem Menschen inne liegenden Bedürfnis.

Die Kollektion Rêves de Rex inspiriert sich an der antiken und erlesenen Schönheit von Alabaster und liefert einen Traum von kontemporärer Eleganz, mit kostbaren Nuancen und raffinierten Farben, die den aktuellen ästhetischen Wohntrends entsprechen. Weiche Äderungen und zarte Farbkontraste kennzeichnen eine wesentliche und ausgewogene Kollektion, die mit einem authentischen Stil von den kräftigen und auffälligen Farben Abstand nimmt. Helle, tiefe und zarte Oberflächen begleiten die verschiedenen Architekturen, ohne sie zu trüben, sondern sie betonen dagegen den Raum und die Größe. Die Kollektion Rêves ist der Ausdruck eines für den Rex-Stil kennzeichnenden maßvollen Luxus und ermöglicht die Gestaltung authentischer Atmosphären, die den Anblick mit strahlenden Eindrücken und die Erinnerung mit intensiven Emotionen erfüllen.

Un nuevo estilo, un nuevo lujo informal e inmediato para interpretar el espacio, que deja de equiparse a la ostentación de bienes materiales para dedicarse a dar valor al espíritu. Combinaciones inusuales y estridentes, elementos de vida real, lo antiguo y lo moderno, elementos preciosos y recuperados, los cuales conviven perfectamente y crean una atmósfera que cuenta un relato bien definido: una dualidad contrastada capaz de expresar claramente identidades específicas. Las características, fuertemente personales, transportan a una dimensión de intimidad doméstica. La cultura del pasado asimila el presente: todo interconectado, un hilo sutil y auténtico nos guía hacia una fascinación atemporal. Así es como REX interpreta cualquier aspecto de la vida, social y personal, para construir una estética con tendencia a la belleza, principio absolutamente necesario en la naturaleza del hombre.

Inspirada en la belleza antigua y sofisticada del alabastro, la colección Rêves de Rex presenta un sueño de elegancia contemporánea a través de matices preciosos y refinados colores acordes con las inclinaciones estéticas actuales para el hogar. Los suaves veteados y los contrastes tenues de color caracterizan una colección esencial y equilibrada que, con auténtico estilo, se distancia de los tonos más vivos y llamativos. Las superficies luminosas, profundas y delicadas acompañan a las distintas arquitecturas sin eclipsarlas, antes bien, resaltando su espacio y sus dimensiones. La colección Rêves es la expresión de un lujo sobrio, distintivo del estilo de Rex, y permite crear ambientes auténticos que plasman evocaciones espléndidas en los ojos y emociones intensas en la mente.

В оформлении пространств используется новый стиль, новая неформальная и непосредственная роскошь. Они больше не связаны с показом материальных ценностей, а с подчеркиванием духовных. Необычные и резкие сочетания, разные слои прожитой жизни, старина и современность, ценные предметы и повторно используемые изделия стоят друг рядом с другом, создают атмосферу, доводящую до нас четкую мысль: контрастный дуализм точно выражает личный характер. Индивидуальные знаки создают атмосферу домашнего уюта.

Культура прошлого дает новое прочтение настоящего: все переплетается, тонкая нить связывает нас с истинно вечным очарованием.

Этим взглядом компания REX смотрит на каждый отдельный аспект общественной и личной жизни для создания эстетики, стремящей к красоте - обязательному началу, свойственному человеческой природе.

Коллекция Rêves de Rex, вдохновленная непреходящей красотой и элегантностью алебастра, с ее великолепными оттенками и изысканными хроматическими комбинациями, отражающими актуальные тенденции в интерьерном дизайне, воплощает идеал современной роскоши. Нежные прожилки и мягкие цветовые контрасты отличают эту коллекцию с лаконичным и сдержаным дизайном, аутентичный стиль которой далек от ярких кричащих цветов. Наполненные светом, выразительные и деликатные поверхности гармонично оформляют самые разные архитектурные решения, не затеняя их, а напротив – визуально расширяя пространство и увеличивая размеры интерьера. Коллекция Rêves, воплощение сдержанной роскоши, присущей стилю керамогранита Rex, позволяет создавать атмосферу, подлинная красота которой радует глаз своим великолепием и дарит яркие, незабываемые эмоции.
