Fokos

La forza degli elementi antichi
The strength of ancient elements

Fokos trae ispirazione da materiali primordiali legati alla terra

La roccia, la rena, la terra, il sale, il piombo. Materie vecchie come il mondo, che hanno aiutato l'umanità a compiere i primi passi e che ancora oggi sono alla base del suo cammino. La collezione Fokos trae ispirazione dai loro colori, così naturali e morbidi, che declinano un'ideale di bellezza senza tempo.

All'effetto visivo corrisponde una percezione tattile quasi vellutata. Superfici architettoniche concepite non solo per arredare, ma anche per accogliere, in grado di esaltare gli ambienti dove vengono impiegate con sfumature calde e abbinabili tra loro.

Fokos draws inspiration from primordial materials linked to the earth

Roccia, Renna, Terra, Sale, Piombo. Materials as old as the earth, that helped humanity take its first steps and remain essential to its very existence. The Fokos series draws inspiration from their colours, so natural and soft, expressing an ideal of timeless beauty.

The visual effect is accompanied by an almost velvety tactile perception. Architectonic surfaces conceived not to furnish, but to welcome, capable of enhancing settings in which they feature alongside warm, freely matchable shades.
